authentic athletic apparel
designed in Canada

OUR COMPANY

Dubwear Clothing Co. was established in 1994. We provide a wide variety of high-quality custom-decorated apparel to collegiate, corporate and travel tourism clients across North America.

Dubwear has always maintained a reputation for outstanding customer service and is known for being on top of current trends in the fashion industry. Our in-house printing, twill and felt cutting, embroidery, art department and warehousing facilities allow us to maintain strict quality control, competitive prices, as well as timely delivery of our top quality garments and accessories.

Dubwear is a proud Canadian company. Many of our products are manufactured locally to ensure that we always maintain a high quality standard in all areas.

Let us take care of all your custom clothing and accessory needs!

OUR SERVICES

1

SCREEN PRINT

Solid print for bold and strong colours. Faded print gives an authentic vintage look. Ideal for tees and fleece.

2

EMBROIDERY

High value look & thread colours to match any logo. Metallic embroidery available.

3

APPLIQUE EMBROIDERY

Allows infinite variations of each design created. Twill and Felt appliques available.

4

HEAT-TRANSFER DESIGN

Provides the most versatility with endless colors and fine details. The design is printed on a transfer sheet and heat-pressed onto the garment.

5

3D PUFF PRINT

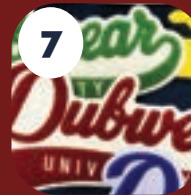

Screen print ink that has been mixed with a heat activated foaming agent, providing a thick, soft, elevated print.

6

FLOCK

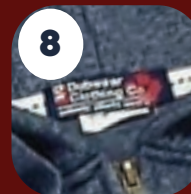

Created with a slightly elevated, plushy feel. Retains vibrant colour after many washes.

7

CHENILLE

It is a type of yarn, that creates a 3D texture (it resembles a plush carpet). Gives a very rich look.

8

CUSTOM LABELS

Elevate your brand visibility and recognition to a whole new level with customized labels.

9

EMBROIDERY PATCH

For fine detailed logos, that can't be embroidered traditionally. Or any logos with option to have it with glue backing for self application.

10

ACCESSORY DECORATION

Unlimited coloured and detailed logos transfered to accessories for example thermos & clocks with UV DTF (direct transfer film) or Sublimation.
